## ONSITE ALTERNATE RULE (APPLIES AFTER MARCH 12):

Onsite alternates can be used by a team as long as the Tournament Committee has approved the change 2 hours prior to the day's event. An alternate must be from the same league system and meet all the player requirements noted in Player/Team Eligibility. Alternate players must be rated equal to or less than the player they are replacing. It is recommended that possible alternates be submitted, with their statistics, prior to the tournament by your operator to avoid delays. Onsite approval for alternates not already participating in the tournament can be requested by a Charter Holder, with appropriate league statistics, within the time frame noted. For ladies and mixed events, the alternate player must also be of the same gender. No roster changes are allowed in finals. Absolutely no one can serve as an alternate on more than one team per event. Any players on your team roster for that event may be rotated in match-by-match, not between games.
