Printing the Share Code List

The Remote Play Machines report has been upgraded to display share codes along with the Screen ID's. This makes it easier to give borrowers your codes. Follow the instructions below:

1. Click on **Master**.
2. Click on **Generate** under the "Reports" column.
3. Select **Remote Play Machines** using the drop down box. There are no options for this report.
4. Press **OK**. The report will open a new tab in Chrome.
