The AMOA-National Dart Association is rolling out
NDA Anywhere
a platform designed to give players, operators and
others affiliated with the organization timely,
convenient access to news and information about NDA
and the darting community.

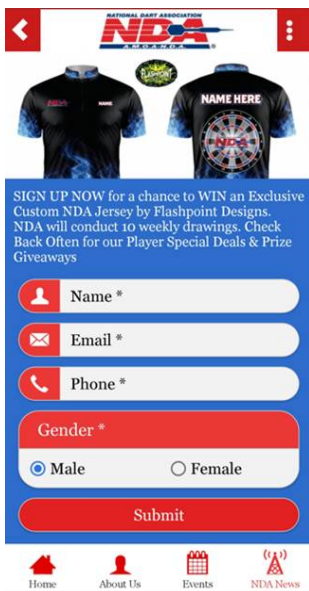

An extension of the organization's website, the app—available for download on both OS and Android devices—includes up-to-date details on NDA events, an NDA industry calendar, exclusive “Taking Aim” player newsletter for both players and operators/dart league coordinators, a photo gallery of tournament events and special deals.

NOW Available on the Apple App Store and Google Play

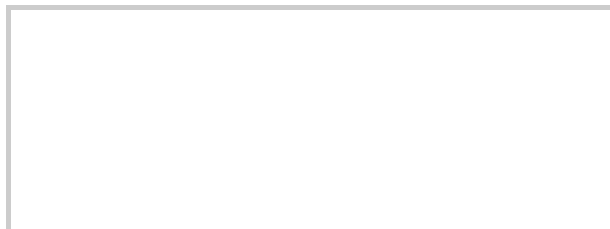

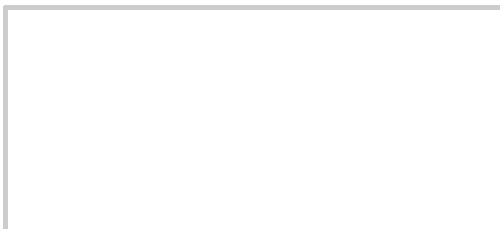

TYPE OR SEARCH “NDA Anywhere”

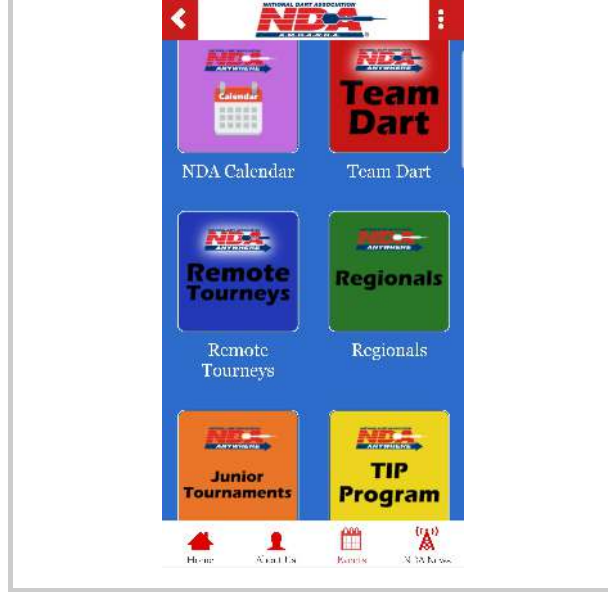

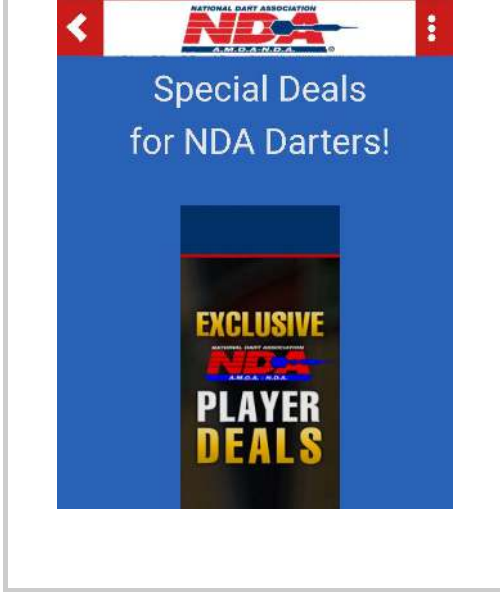

Once **NDA Anywhere** is downloaded & installed;

- **Click NDA News** from the menu at the bottom right of the home screen.
- **Select Custom Jersey Giveaway** to sign up for a chance to WIN an exclusive NDA Jersey by Flashpoint Designs. NDA will conduct 10 random drawings each week for these exclusive jerseys.
- Make Sure **PUSH NOTIFICATIONS ARE ON** to receive latest tournament news & special deals.
- **Check Back Often For Our Special Deals & Player Prize Giveaways!**

“Users will have NDA at their fingertips 24/7, on the devices they/we use most often: our phones and tablets, We’re excited to deliver this new communications tool and look forward to expanding its functions and features from the feedback we receive from users,” said NDA Executive Director Brian Glasgow
