Important Notes –

- Players may not compete on more than one team in any one event.
- Players may participate in both Cricket and 501 events.
- There is no geographic requirement for the regional tournaments. NDA sanctioned players who meet the eligibility on pages 9 & 10 may enter any of the regional tournaments.
- Operators must send in stats for Mixed Trips even if the player is signing up onsite.

Player Changes/ Substitution:

Prior to Entry Deadlines:

Player changes or substitutions must be in writing from the Charter Holder and include player documentation as required for entries. These changes can be made via mail, email, fax, or by logging into the CompuSport NDA portal, and clicking on Tournaments. These substitutions can be done without regard for player skill level and teams will be classified on the new player's skill level.

After Entry Deadlines– Onsite Alternate Rule

Onsite alternates can be used by a team as long as the tournament staff has approved the change 30 minutes prior to the day's event. An alternate must be from the same Charter Holder and meet all the player requirements noted in the Player/ Team Eligibility. Alternate players must be rated equal to or less than the player they are replacing. It is recommended that possible alternates be submitted, with their statistics, prior to the tournament by the operator to avoid delays. Onsite approval for alternates not already participating in the tournament can be requested by a Charter Holder, with appropriate league statistics, within the time frame noted. For mixed events, the alternate player must also be of the same gender. No roster changes are allowed in the finals. Absolutely no one can serve as an alternate on more than one team per event. Any players on your team roster for that event may be rotated in match– by– match, not between games.

Charter Holder Qualification

4. Qualifying Equipment: League locations can only have dart machines that meet the definition of Qualifying Equipment. Only league matches/games played on electronic dart machines that correctly calculate Point Per Dart (PPD) and Marks Per Round (MPR) as outlined below are eligible for tournament entry. The Tournament Committee reserves the right to require verification from any Charter Holder of equipment used for qualifications.

Dart Machines manufactured by the following companies are approved as qualifying equipment based on the specifications outlined above: Arachnid 360 LLC, Phoenix, Gaelco Darts S.L, Lowen Entertainment GmbH.

If software or hardware kit by a non-manufacturer sponsor is installed on a previously qualifying dart machine, the machine specifications of the equipment are no longer verifiable. Therefore, that equipment can no longer be used in league play to qualify players for the Regional Tournament.

5. Remote Leagues, Remote League Co-Op and Virtual Play/Competition: Remote leagues are defined as coin-operated dart leagues, run on equipment owned and operated by a single NDA Charter Holder, which involves simultaneous league play in multiple locations. Play must be head-to-head on qualifying equipment. Remote League game play for a single operator is eligible for Regional player qualification.

Contact the NDA Office for a remote league co-op application at rachel@ndadarts.com or at 800.808.9884.

Virtual Play/Competition

Dart play/competition operated in multiple locations with play occurring at different times. Virtual play/ competition games are not eligible for Regional Tournament player qualification.

Player Eligibility/ Classification

1. All tournament players must:

- A.  At least 18 years of age to comply with the regulations of local, state and federal laws in which they compete in leagues.
- B. Be sanctioned by the NDA for the 2023-2024 sanctioning year. (Expires August 2024)
- C. Have played a minimum of 48 league games during the qualifying period for that tournament. (see page 3 for specific dates for each tournament.)
- D. Be entered in the tournament by the NDA Charter Holder on whose machine(s) they have completed the minimum game requirement for the tournament
- E. Have a NDA player-skill rating using the Points Per Dart (PPD) and/or Marks Per Round (MPR) performance rating system for the event in which they are entered, to be classified. These performance ratings require a player to compete in 24 games in a single season for that event. Minimum time to obtain player-skill rating is six (6) separate league nights in six (6) separate weeks in the same league season. Players who have played 48 league games but do not have a valid PPD or MPR will be classified in the highest level for all events.

2. All Tournament Teams Must:

- A. Declare a full team roster, including substitutions, when entry certificates are completed.
- B. Must play for the same Charter Holder and form a tournament team meeting the above criteria.

Violations of the above will void entries and be nonrefundable.

In addition to meeting the eligibility requirements listed, players and Charter Holders must also comply with the following:

- **All players must be entered with their highest known player-skill rating, from league, for the qualifying period.** This is the responsibility of the Charter Holder. Accuracy of player abilities are dependent upon proper submission and documentation from the Charter Holder. All Charter Holders are bound by the Code Of Ethics of the NDA.
- **The highest known player-skill rating is determined** by taking the highest player –skill (PPD/MPR) rating from a league season for the qualifying period starting on January 1st, 2023 and ending on the date specified on page 3, including the current league season (remember this must be a minimum of 24 games per event, 48 total, in no less the six (6) weeks of league play in the same league season).

For Example, Pete played in the following leagues for Acme Vending:

Spring 2023	PPD 23.50
Summer 2023	PPD 24.75
Fall 2023 (if 6 weeks of play & 24 games)	PPD 25.75

The highest known player-skill rating for Peter would be FALL 2023 25.75.

Player Eligibility/ Classification

3. Player ability assessment may be determined by the tournament committee by any of the following criteria:

- A. Player-skill rating (as described previously).
- B. Review of previous NDA tournament performance, specifically Team Dart 2023
- C. Examination of overall local league ratings.
- D. Known ability.

4. All decisions made by the Tournament Committee are final.

4. Team Sum Caps

A. The following caps have been established for Regional Tournaments. There are no individual skill rating limits for singles events. Team skill sums must not exceed:

Event	Team Maximum
Open Doubles Cricket	7.59 MPR
Open Doubles '01	69.9 PPD
Mixed Triples Combo	10 MPR (no PPD cap)

5. **Standard league results are the only accepted statistics.** All recorded player-skill rating are achieved using the actual darts thrown. In addition, the following are standard formats for gameplay to calculate a player-skill rating.

'01	Cricket
Open in/Open out format	8 foot foul line
8 foot foul line	15 ½" target face
15 ½" target face	Split 50/25 point bull's eye
Full 50 point bull's eye	

Consistent tracking of player-skill rating for each is required. Submission of these ratings must show the cumulative accomplishments of each player.

6. **Double In/ Double Out Statistics:** Fairness and competitive brackets are very important to players. Help NDA keep Regionals fair and fun for all by ensuring correct '01 stats for your players are being submitted. **Double In/Double Out (Master In/ Master Out) is not standard format for '01 qualification.** While DI/DO games can count towards the minimum 48 games requirement, statistics from these games CAN NOT BE USED to qualify players for '01 events. If a player has only DI/DO stats, they must be kept separate and the player must have at least 24 games of OI/OO skill ratings submitted.

- A. Do not enter ANY statistics based on DI/DO games when entering players in the tournament,
- B. All players in 01 must have played at least 24 '01 games in 6(six) separate weeks of OI/OO.
- C. If a player played DI/DO, those stats must be separate from OI/OO game, you will only submit the OI/OO.
